Answer

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI KIREN RIJIJU)

(a): The barrack accommodation is part of authorized infrastructure for jawans of CAPFs. Continuous endeavours are made to improve the level of housing satisfaction for officers and men of CAPFs and for this appropriate budgetary allocations are also made.

(b) & (c): The CRPF has reported that beds/lights/fans are available as per authorization in the accommodation provided for jawans. However, in remote/difficult areas, electricity is provided through generator sets. For medical facilities, Medical Inspection Rooms are also part of authorization. From 2011, 2,560 pre-fabricated huts have been authorized to CRPF to enhance the level of accommodation and requirement of infrastructure.
